Dear Parishioners,

The next few days are super charged with great celebrations. Naturally, this weekend is Mother's Day. We pay special attention to the beautiful gift our mothers are and have been for all of us. I am sure that all of our mothers have touched our hearts in many special ways. We would not be the persons we are without the input of our mothers. So, let us thank our mothers for the great blessings they have been for us on this special day in their honor.

This Monday is our parish school eighth grade graduation day. It is a great milestone event for them as they leave our school and look forward to their high school experience. Let us keep them in our prayers as they continue their education experience in high school, and that they take with them all the special lessons and knowledge that our teachers and staff have shared with them over the years.
