SCRIP News

Have you ever attempted to buy SCRIP for a purchase you are planning to make that day only to find out we don't stock that particular retailer, and the SCRIP would have to be special ordered? There is a very easy solution to that situation. You can set up an account on line on the website referenced below, purchase the SCRIP right there, print it out on plain paper and go do your shopping. It's that easy. Just recently, one of our members was able to get SCRIP to buy a refrigerator that had to be replaced that same day. To sign up go to the website below and create an account. If you have any problems and questions, just give us a call in the parish office, 377-6159. (While not every single retailer is available for purchase this way, over 200 are available, which includes many of the most popular.)

Dear Parishioners,

This Sunday at 1pm our second graders will be receiving their First Communion in a special mass. I hope that they will always see every mass as being very special, and not only this one. I would also hope that all of us would have the same attitude ourselves. Every time we get the opportunity to participate in the holy sacrifice of the mass should be seen as a special moment in our lives. We will be uniting ourselves with the true presence of our Lord and Savior, Jesus Christ in Holy Communion. We will become living tabernacles of the presence of Christ. That in itself is enough to make every mass special. I hope and pray that our young people will have this great love of the mass throughout their lives, and that we also will have that same love.
