Dear Parishioners,

When Bishop Paprocki sent out his homily to be read at all masses throughout the diocese, he strongly mentioned the need to have a service of "Repentance and Prayer for those harmed by the Church." This service will be held this Monday, October 1, the feast day of Saint Therese of the Child Jesus, at 7pm at St. Boniface Church in Edwardsville. It is a service that is naturally open to all those in the Alton Deanery. I would encourage the parishioners of Our Lady Queen of Peace to attend this service. We truly need to send up prayers to the gates of Heaven for those innocents who have had their lives so egregiously harmed by people who should have been protecting them. Let us pray that this will be a time of healing for those innocents and for the Church.

A Message From Our Principal

We have already been in school for six weeks now! The year has gotten off to a wonderful and smooth start! It's fun to be back in the 'school groove' and all the students and teachers are working to make this the best year yet!! Over the summer many improvements were made to both technology as well as to other areas of our challenging curriculum. New projectors were purchased allowing teachers to utilize the Internet on an interactive level as they teach all of their lessons. Our 4-8th graders all have their own personal ChromeBooks, and our 3rd graders have their own laptops. We now have our grades online so all of our parents can access their child's grades in all subjects at any time! New materials have been purchased as we continue to build on our already successful STEAM Program. A much needed new sound system, paid for by the Parish School Association, is almost completed for the gymnasium. This will be a benefit for all groups of the parish when there is any event in the gym. Our Drama Club is gearing up and working very hard to prepare for the Fall presentation of Beauty and the Beast. This will take place in the gym on Saturday, November 17th. mark your calendars and plan to attend if you can!!! The seventh graders continue to sponsor various events to help pay for their annual educational trip to Space Camp in Huntsville, Alabama. That will take place from Oct. 10-12th. Our eighth graders have already been to Villa Rose to celebrate mass with the residents. This takes place once a month, and I am always amazed at the impact this experience has on all! These are just a few of the exciting things going on at OLQP School!! I want all of our parishioners to always feel welcome to join us during the year for anything that is happening at the school! We thank you for your continued prayers and support of all we do! I also ask that to help is in our effort this year to market our school to the wider community, that if any of you have experience in marketing, or have any ideas as to how we can get the good word out about OLQP and the advantage parents are giving their children by providing them with an OLQP education, that you contact me at the school! In today's world, I can think of nothing more important than sharing with others what we have to offer...superior academics in a safe, Catholic, Christian faith filled environment, where every student is respected and given the individual attention they deserve!! If you can help us in this endeavor, we need you!!! Peace and God bless!!!

Eve Remiszewski, Principal

Rosary Rally

I want to invite you to join our Public Square Rosary Rally, Sat., Oct. 13, 12:00 noon at the front of the school at 618 N Prairie. This Public Square Rosary, sponsored by America Needs Fatima, will be one of over 23,000 rallies that will take place all across the United States on that day. Please join us in offering reparation for the sins and offenses committed against the Immaculate Heart of Mary and to fervently pray for the conversion of the United States. Will you be able to join me and other Catholics on that very important day? I hope so. Bring a chair and your rosary and make a public stand for the conversion of our country. Question? Bridges of Mercy for Healing and Abortion

Read the full version at usccb.org/perfect-gift.

Maria,* Vanessa, Li, Jennifer, and Darryl are among the tens of millions of Americans whose lives have been directly touched by abortion. Like so many others, they have experienced regret, guilt and grief. But, as they have also experienced, God's Healing love and mercy are always possible. Many Catholics want to help women and men who have experienced abortion, but some don't know how to begin. Visit usccb.org/bridges-of-mercy to learn how people from various walks of life can assist friends, family members, fellow parishioners, clients—or perhaps even themselves.
