Public Welcome

Dear Parishioners,

I hope that you do not turn a deaf ear if I once more talk about discipleship and volunteering for ministries in the parish. The people who I see working for so many of the different ministries in the parish are a true blessing and I want to thank them for all that they do. But I know that sometimes they would love to see more parishioners step forward and help them out. Sometimes they even get "burned out" and step down from a particular ministry. If more of you would take the plunge and take up a ministry that would help your fellow parishioners out immensely. Please keep thinking and praying about what you feel that God is calling you to do, and then take that step of faith and embrace it.

Another Look at Abortion

*Read the full version at
usccb.org/abortion.*

If someone takes an innocent person's life after he or she is born, it's against the law; before birth (even minutes before, in most states), it's legal because of the U.S. Supreme Court Roe v. Wade decision in 1973.

Abortion results in the death of a child. For many, abortion causes severe and long-lasting emotional, psychological, and spiritual trauma, and other detrimental effects have also been documented. (For help, visit www.HopeAfterAbortion.org.)

Support mothers and their children during and after difficult pregnancies..

So what are we to do? The Church does not approach difficult pregnancy decisions with a false "either/or" mentality, pitting mother against child. We love them both! Learn more at www.usccb.org/abortion.
