A Message from the Principal

School has gotten off to a wonderful start, and all of us are so happy to be back in the positive, productive learning environment that makes our Parish School the Catholic School of excellence that it is! We waste no time when it comes to getting down to the business of learning. Our 5-8th grade students are using their laptops/Chromebooks every day at their desks and are already used to using this wonderful tool to greatly enhance their learning experience! Our Preschool, with its new hours/days, is so successful and I am continually amazed at what these three and four year old students are achieving on a daily basis! We still have room in both our three and four year old classes, so please keep spreading the word in the community about the OLQP Preschool! The seventh graders will make the annual trip to Space Camp in Huntsville, Alabama, in October. One way they are helping raise money for this trip is the upcoming Dodgeball Tournament on Thursday, September 25th, at 6:00 PM. The 5-8th grade students participate in the tournament and all have so much fun! It is open to the public! Feel free to come, watch the students compete in Dodgeball! Another event that is coming on November 8th, is our Fall Production! This year the students will be performing 'Annie.' They have already been rehearsing, and we look forward to another outstanding performance this year!! Watch for news regarding ticket sales, and please consider joining us for this performance on Saturday, November 8th, at 2:00 and 7:00. As always, we at the school are so grateful to all of the parishioners for your continuous support of all we do! Peace and God bless to all!

Eve Remiszewski, Principal
