A Message from our Principal

The 2014-2015 school year is just around the corner, and what a year it is going to be! The teachers and staff are so excited to begin, and all of us look forward to seeing the students and their parents again! Over the summer the maintenance crew did an excellent job cleaning and preparing the school for another great year. Many improvements and upgrades have been made in the area of technology, including the installation of a new interactive projector in the Kindergarten classroom. This completes our goal of having a Smartboard/Interactive Projector in every classroom in the school, K-8! In addition, new Google Chrome Books have been purchased for each 7th and 8th grader while our 5/6th graders will each have a laptop to use in their daily instruction. We are well on our way to accomplishing our goal of putting a laptop/tablet in the hands of every student, K-8, as we work to achieve a 1 to 1 learning situation.

In other news, The Board of Education will sponsor 'The Knights of the Round Table' back to school celebration on Sunday, August 10th, from 12:00-2:00 on the playground/gym area. All students and their parents are encouraged to join us for lunch, games, and fun activities. What a great time to come together with other parents and students to visit classrooms and to speak with the teachers. I hope to see everyone on August 10th! In addition, on that same day (August 10th) there will be a 'bring your supply' get together for PreK 4 year olds and Kindergarteners in the PreK/Kindergarten classroom area at 11:00 AM. Students will be able to see their classrooms, socialize with other students, and acquaint/reacquaint themselves with their teacher. Finally, we welcome PreK 3 year old teacher, Chris Peuterbaugh, to the OLQP faculty! Chris is so excited to be a part of this very special OLQP Parish School Community, and we are excited not only to have her as part of our team, but also about the new look of our preschool program. Keep spreading the word about our new Prek options! Both our PreK 3 and 4 year old programs truly offer every preschooler who attends a distinct advantage that will benefit them greatly as they begin their formal academic school years. God bless all of our students, parents, and parishioners as we begin this exciting new school year!
